About the Report

Report Creator: Chris Sherlock   Katie Hardy   Greg Horsfall

Evaluation Commissioner: Daisy Crooke

Evaluation date: 31/03/2025

Executive Summary

The Take One Action site, in general, complies to a minimum of WCAG 2.2 AA standards.

There are some areas for remediation, primarily around the correct labelling of web elements including – but not limited to – images, links and information such as 3rd parties.

Users with visual impairments, particularly those using screen readers, will be the most impacted currently.
